

Sierra Nevada junior rodeo & gymkhana club

Mission Statement

The members of Sierra Nevada Junior Rodeo/Gymkhana Club are dedicated to the preservation of our equine community for both youth and adult riders. We strive to put on quality events including a Junior Rodeo and monthly Gymkhana's including jackpot races. We also reach out to support 4-H equine clubs through donations and volunteering.

Members from our Club have gone on to be some of the State's top competitor's in High School Rodeo Finals. Others are extremely competitive in 4-D Barrel Racing and Rodeo.

Our Members efforts, through hard work and fund raising, have made our Gymkhana club the largest in the State of Nevada. With determination, continued team efforts, and community support, we will continue to encourage and strive to keep equine sports alive and we will prosper to be the largest in the Western States.
